August 22nd, 2023

Page 1/2

Different events in our surrounding world, such as pandemic and war has led to decreased flight capacity.

Due to this, transportation costs to destinations outside Europe has increased.

For this reason, PostNord will continue to apply flight surcharge for certain destinations.

PostNord is applying the conditions for surcharge regarding services below, which may be found in the General Terms and Conditions (PAKN).

The flight surcharge will be based on the weight of the item and applies for transportation to following countries:

Current flight surcharge from 1st of September

Information regarding the current level of surcharges is updated at the end of each month in this document. also see postnord.se/priser.

All prices are stated in Swedish kronor and are exclusive of VAT.
